

Be a part of the community celebrations this July as we commemorate the 100th anniversary of the 'renovated' Clarendon Bridge. It will be a day of fun, food and entertainment for the whole family. The day begins with a re-enactment of the 1919 bridge opening. We will march as a group following the **Mitcham City Brass Band** down to the bridge for a commemorative photo. We then head back to the Community Hall where there will be something on offer for everyone.

Embracing the winter cold we will have a huge variety of board games, puzzles and activities scattered inside the heated walls of the Community Hall. It's a great chance for young and old to learn from each other as you explore new games. We will also be bringing the LEGO bridge building table for everyone wanting to try their hand at building the strongest bridge. The Clarendon Museum 'Bridging the Onkaparinga' exhibit banners will be on show so that you can read up on the history of the bridge too!

Not into board games, why not grab a wine, beer or hot coffee and settle in for a yarn by our cozy fire pits, listening to the acoustic stylings of music **Blind Arry**. Our outdoor entertainment furniture is kindly donated by the good folks at **Evnture**. You won't go hungry either as we have some awesome meals available from **Feisty Filomena** or a tasty treat from **Xpresso Mobile Cafe Lonsdale**.
