

## August 2019 eNew

Some great things are starting to happen in our community. Lots of new families are moving into the neighbourhood, the school and kindy are becoming stronger and we have had some fantastic community events in the last few months.

The Clarendon Community Association is also growing and changing, becoming an increasingly vibrant and vital part of all the good that is happening.

We are a group of volunteers who want to see our beautiful town and landscape protected, respected and given the attention it deserves. We also want to find ways to engage with the community so that everyone has the opportunity to participate and thrive in this special place as they wish.

We are figuring out how to collaborate with all local stakeholders and how to also work with council to ensure best possible outcomes for all of us.

If you'd like to join us or just find out more, we'd love you to turn up to our next meeting on Wed 7th Aug at 7.30pm in the Community Hall. You can also be added to our email list if you would like to receive the minutes or eNews. Just drop a line to [secretary@cca.clarendon.org.au](mailto:secretary@cca.clarendon.org.au) or [news@clarendon.org.au](mailto:news@clarendon.org.au)

You don't have to join if you just want to attend a meeting to see what it's all about, but if you do decide it's for you, the only requirement for membership is that you are a resident, real estate owner or business operator in Clarendon and a token \$10 annual fee. We only meet once a month and you can be as involved or placid as you like.

There are lots of us really trying to make a positive impact here in Clarendon. Come and help us do some good.

## 100 year bridge celebration

What a day!

This celebration culminated in weeks of preparation, organising, conjoling, forecasting (!!!) and plain hard work by Gavin and Brad. Thank you on behalf of the Clarendon Community for ensuring this celebration was such a success. You brought us together to celebrate not only our lovely bridge's 100<sup>th</sup> year but also to celebrate the life we all enjoy in our beautiful Clarendon.

Geoff Webster's family, who were moving in to the area, were held up during the 1919 bridge opening ceremony but in 2019 he enjoyed being chauffer driven across our 100 year old beauty.

## Special thanks to ...

**Evnture Furniture** - bar service and those games!

**Western Tree and Stump** – keeping us warm

**Feisty Filomena** – wonderful food

**Xpresso Mobile Café** – great coffee

**Clarendon Community Association** – event organisers extraordinaire

**Sports Club of SA** – that car!

**Mitcham City Brass Band** – for leading us on to the bridge

**Clarendon Primary School** – food, food, glorious food ....

**Clarendon Kindergarten** – baked potatoes and much, much more

**Clarendon Netball Club** – their sausage sizzle sizzled!

**Clarendon Bowling Club** -

**Clarendon CFS** – keeping us safe

**Historical Hall & Museum** – reminding us of the importance of our shared history

**Gillian Reeves Rayment** – photographing this event

**SAPOL** – traffic control

**Blind Arry** – providing beautiful music and a great atmosphere

### A place in History

The attendance book for the Bridge Centenary celebrations is in the General Store. If you didn't sign on the day we encourage you to call in to sign it soon.

Clarendon – a bit busier than usual

Thank you to SAPOL for keeping us safe

Our local CFS - thank you!

## The bridge that helped us bridge our learning

Our little kindergarten has been on quite a large journey this year as we continue to see our children as competent citizens, and strive to understand what that means in relation to our role in the community. Recently, we were lucky enough to be challenged by the provocation of the 100 year anniversary of the Clarendon Bridge. We asked our children, our families and ourselves how we at Clarendon Kindergarten could contribute to this event?

The response was phenomenal. Our families decided we could contribute by working together to create a soup and spuds stall. Parents canvassed local businesses for support and supplies, volunteered to cook, donated time and resources and spent the entire day selling soups and making delicious loaded potatoes.

Our children took a different route by deciding to learn more about our bridge. We explored the other bridge structures in our community by going on local walks, designed two and three dimensional bridges using a variety of materials, and explored literacy through books involving bridges. The idea became so popular that we found ourselves dedicating entire afternoons to research bridges, entwining concepts of science, technology and mathematical thinking through independent and cooperative inquiries.

Though families and children worked separately on their contributions, the two concepts were combined on the day to create a beautiful image of how we merge different ideas to create something beautiful that authentically represents our involvement, voice and contribution to our community. We would like to give a very warm thank you to all of the community members who in turn, supported us by reading and responding to our inquiry display, sharing their memories of times at Clarendon Kindergarten and buying the food lovingly prepared by our families. We are so excited to continue this journey and cannot wait to share our next adventure with you.

## Clarendon Branch of the Agricultural Bureau

The Clarendon Branch the Agricultural Bureau July 2019 meeting speaker was Dene Cordes who formally worked for the various Government Departments that were responsible for managing the South Australian parks and wildlife reserves.

Dene began by providing background about being 4<sup>th</sup> generation farmers on Kangaroo Island and leaving school early to work on the family farm. He applied for a position with the Belair National Park he was eventually appointed. Dene explained that Belair National Park was declared a National Park in December 1891 and was the second National Park in Australia and the 8<sup>th</sup> in the World.

Dene was appointed by the Minister as the States National Park Community Liaison Officer to deal with the poor relationship between Communities and the States National Park Rangers. With Denes help, the relationship improved and eventually local consulting groups were created to assist the management of the National Parks and eventually this evolved to become the Friends of National Park Foundation.

Dene stated that the valuable work done by National Park volunteers equates to \$5-6 million per annum in volunteer hours and without the volunteers the National Park would suffer.

Dene has been honoured for his work and achievements with being awarded the South Australian Public Service Medal and Australia Day honours.

## Clarendon Tennis Club Annual General Meeting 6th August 2019

Summer is approaching and it will soon be time to enjoy a hit of tennis.

Our club AGM will be held on **Tuesday 6th August at 7:30pm in the Clarendon Bowling Club facilities.** A light supper will be provided.

All members are invited to attend so please come along and support our club for this upcoming tennis season.

Planning for the season is well underway with our Open Day on **Saturday 14th September.** Please "save the date" and see the Open Day flyer for further details. We welcome all current and new players to the AGM and Open Day.

We have a small active committee who would love to have some more parent support to help with some practical tasks required throughout the season. We are also looking for someone who may be interested in filling the role of treasurer for the club. Please contact Karen Hillier on 0431 834 126 for further details.

Come and support us at the tennis **AGM on the 6th August at 7.30pm.**

Looking forward to seeing you there. Everyone is welcome!!
